

MARYLAND STATE BOARD OF DENTAL EXAMINERS GUIDELINES FOR REINSTATEMENT OF EXPIRED DENTAL RADIATION TECHNOLOGIST CERTIFICATE

The Board may not process a licensure application until each provision or requirement is met and each document is received. Please ensure that your application is complete before it is submitted. Incomplete applications may be subject to a \$50.00 application reprocessing fee.

Reinstatement of Dental Radiation Technologist Certification

An individual holding an expired certificate to practice dental radiation technology may apply for reinstatement if the applicant:

- (1) Completes a dental radiation technology renewal application; and
- (2) Provides proof of completion of 8 hours of dental continuing education from Board-approved courses, 4 hours of which shall be in radiology; and
- (3) Pays to the Board a certification reinstatement fee of \$75.00.

To apply for reinstatement of licensure, submit the Application for Reinstatement of Dental Radiation Technologist Certificate and enclose the following with your application:

- *A \$75 non-refundable fee.*
- *Proof of completion of 8 hours of continuing education, including at least 4 hours in radiology. The course(s) must have been completed within one year preceding the date of your application for reinstatement.*

Before submitting your application...

1. Is your application completed front and back?
2. Did you sign and have the application notarized?
3. Did you enclose a check or money order in the amount of \$75.00 made payable to the Maryland State Board of Dental Examiners?
4. Did you enclose proof of continuing education?
5. If you have changed your name, did you enclose proof of legal name change such as a marriage certificate, divorce decree, or other court document?
